

GET INVOLVED!

Parent Service Organization

Welcome!

I look forward to a wonderful year working together with you while we partner with devoted teachers and administrators in educating the hearts and minds of our children at American Heritage School. Did you know that every parent at the school is a member of the Parent Service Organization? It's just one of various ways that we reinforce our unique school culture that not only encourages but also expects parental involvement in their children's educational experience. Parents at AHS are invited and expected to give at least 30 hours of volunteer service per family each year. Please know that your service and sacrifice are very much needed at our school and enrich virtually every aspect of our "family education" experience at AHS.

I look forward to serving with you this year!
